

QUALITY POLICY

DOWNHOLE WELL SOLUTIONS products and services shall meet or exceed regulatory standards and the requirements specified by our customers. It is the responsibility of all personnel and suppliers of DOWNHOLE WELL SOLUTIONS to comply with, and continually improve the quality management system.

It is the responsibility of all personnel to comply with the requirements of this Quality System, and to report to management any activities not conforming to our stated policies. I recognize my responsibility to support and assure compliance with the procedures and policies outlined herein.
